Moot Court Competition  
JSS Law College, Mysore  
17 – 19 February 2017**

**CLARIFICATION - 2**

Dear Participants,

As you may be closely monitoring that there have been significant changes in the laws pertaining to the winding-up proceedings including the transfer of jurisdiction from the High Courts to the NCLTs. Besides, as per the recently enacted Insolvency and Bankruptcy Code, 2016 (IB Code), some more amendments have been made to the Companies Act, 2013 pertaining to filing of winding-up petitions by creditors. Many provisions, rules and regulations under the IB Code are being notified on piecemeal basis. The moot problem has NOT been drafted based on the IB Code which is still in its nascent stage. Further, the insolvency proceedings under the IB Code are cumbersome and confusing.

Therefore, it is hereby clarified that the Insolvency and Bankruptcy Code, 2016 and the related Rules, Regulations, Notifications, etc. shall all be ignored for the purpose of this moot competition and the participants are advised to concentrate only on the provisions relating to the Companies Act, 2013 (and 1956), as the case may be, and other related laws other than the IB Code.

You may also appreciate that this moot competition has helped you to keep abreast with the latest developments pertaining to winding-up and liquidation proceedings of companies to be initiated by creditors.

Your understanding and cooperation for the need of two clarifications regarding this moot problem is appreciated.

Good luck!
